OUR 7 KEY AIMS

- 1 To provide a warm, welcoming, safe and Dementia friendly environment.
- 2 To provide regular refreshments throughout the day and a hot nutritious two course meal for everyone.
- 3 To provide an individual support plan and risk assessment for each person using the service.
- 4 To provide meaningful activities that encourage new interests and renew previous hobbies.
- 5 To ensure that the experienced and dedicated staff continue to prioritise their own personal development.
- 6 To ensure that we are well connected with other health and social care organisations in the community.
- 7 To provide much needed respite support for carers and family members who are in need of time to themselves.
